

**Vermont Health Care Association announces the
2011 Annual Golf Tournament.**

Basin Harbor offers guests lakeside golf on the first course in the state to become a sanctioned Audubon Cooperative Sanctuary Golf Course. The program is dedicated to preserving natural resources and enhancing wildlife habitats. Winding through the gently rolling hills of Champlain Valley, the course follows natural woods and open areas. At more than 6,500 yards, the expansive and demanding course features small and medium contoured greens, 48 bunkers, and bent-grass turf. The short front nine (3,054 yards from the blue tees) present a variety of challenging shots. The longer back nine (3,459 yards) caters to the long ball hitter. The course and slope ratings are 71.5 and 122. A putting green, driving range and practice fairway also complement this Vermont golf resort.

Basin Harbor Club
4800 Basin Harbor Road
Vergennes, VT 05491
